# Timeless Impressions

## *Tips:*

- ❧ *Wedding Invitations should be ordered 5 months before the wedding date, allowing time for proofs and addressing.*
- ❧ *Have a reasonably accurate count of how many invitations you will need as re-ordering can be quite expensive.*
- ❧ *Order an additional 25 printed (and/or lined) envelopes.*
- ❧ *Mail out your invitations 6-8 weeks prior to the wedding date.*
- ❧ *Always take a completely stuffed invitation with all enclosures to the post office to have it weighed and measured for correct postage.*
- ❧ *Lastly, when you are ready to mail your invitations, take them into the post office and let them know that you want them "Hand-Canceled" !!!*

### ❧ *What does Hand-Canceling mean?*

*Your invitations will be processed by hand and should bypass the automated processing machines, avoiding damage.*

*Wedding invitations are often thick, oddly shaped or oddly sized as a result of their enclosures or accessories, and run the risk of getting caught or damaged in these machines.*
